when
everyone
is Irish!**

Meeting Notice

The next regular meeting of High Plains Kennel Club will be held on Saturday, April 5, 2014, at 12:00 noon at Pegasus Restaurant, 313 Jerry Street, Castle Rock.

Decoding Canine Behavior (Part 6 of Series)

Dreaming Dogs: Have you ever seen a dog twitching, moving its legs, or making noises while sleeping? These are typically signals that a dog is dreaming!

Dogs tend to dream for shorter periods of time than humans, but they also tend to move more as they dream. Dogs often make chewing motions, lick, move their feet as though they're running, and even bark while in the throws of REM sleep.

<p>ALCOHOL  COMA DEATH INTOXICATION</p>	<p>AVOCADO  CONTAINS PERSIN: VOMITING DIARRHEA</p>	<p>RAISINS CURRANTS  KIDNEY FAILURE</p>
